**WINTER STORM CLEANUP REQUEST – ALTERNATE PARKING COMPLIANCE & HYDRANT CLEARING**

*With the heavy snowfall experienced in Lackawanna during the past 48 hours, our DPW crews have been hard at work clearing main and secondary roads and neighborhood side streets. It's been a difficult job under trying circumstances and we thank our DPW staff for their incredible efforts over the Christmas holiday.*

*With the storm now mostly moved out of the area, these street clearing efforts will continue today, Sunday, December 27. To help our crews clear neighborhood side streets more quickly, we're asking for everyone's cooperation:*

- *PLEASE COMPLY WITH ALTERNATE PARKING RULES BEFORE 4PM TODAY. Moving your vehicle(s) as early as possible will give our crews more time to clear the side roads for residents and emergency vehicles to pass smoothly and safely.*

*Also, remember to CLEAR FIRE HYDRANTS NEAR YOUR PROPERTY as best possible to allow our firefighters access to the hydrant should a need arise.*

*We understand the past few days have been stressful. Our DPW is doing its best to get our roads in good condition as quickly as possible. Under these trying weather conditions, not everything will be perfect. If you have any concerns or questions about plowing/roads in your area, please call 827-6406 to speak with a DPW Foreman. Every effort will be made to resolve your matter as quickly as possible.*

*Thank you for your patience and cooperation.*
